ROLL RIGHT
DOORS

SINCE 1975

For doors up to 10' wide x 10' high

MODEL 100

GREAT FOR SHIPPING CONTAINER STORAGE,
CONCESSION STANDS, AND SIMILAR SPACES

Easy Installation • Low Maintenance
Easy Operation • 7 Curtain Color Choices

WHAT PROPERTY OWNERS LOVE

LESS OVERHEAD SPACE NEEDED

does not hinder lighting or overhead storage

MINIMAL MAINTENANCE apply light oil to springs, bushings and guides

LOCK OPTIONS outside mounted pad lock hasp or inside box lock.

CLIMATE CONTROL OPTIONS a blanket of reflective double bubble insulation protects your interior. Seal off outdoor elements with a weather brush.

SPECS YOU NEED

EASIER INSTALLATION means lower labor costs.

REFLECTIVE DOUBLE BUBBLE INSULATION glues to the curtain interior.

WEATHER BRUSH polypropylene strip of filaments fitted in an aluminum retainer mounted to the door jamb which conforms to the corrugated surface of the door.

SOLID STEEL DOOR CURTAIN cold roll formed 26 gauge high grade galvanized steel coated in polyester paint. Panels are assembled and lock seamed to form a solid steel curtain.

BOTTOM EDGE extruded aluminum that includes a blade style gasket seal.

GUIDES extruded aluminum that includes a plastic wear strip to buffer door curtain.

ROLLER DRUM 1" schedule 40 pipe with welded steel drums. Factory installed helical wound springs counter balance the weight of the door curtain.

SUPPORT BRACKETS 12 guage galvanized steel with heavy bushings to carry roller drum.

CLEARANCES:

Side room required: 5.5"

Head room required: 14" for up to 8' high doors / 16" for up to 10' high doors

2 YEAR WARRANTY

We promise your door is free of defects in craftsmanship and materials for 2 years from your date of purchase.
